2. ACTION. All unit Commanding Officers and Officers-in-Charge shall give this instruction the widest dissemination possible.
3. DIRECTIVES AFFECTED. BMBINST 1710.2 is hereby cancelled.
4. DISCUSSION. The recreation facilities at Marathon, Florida are located at Coast Guard Station Marathon at mile marker 48, on the west side of U.S. Route 1 in the heart of the Florida Keys. Facility rental by authorized patrons include four one-bedroom cottages, four RV pads and three recreation boats. Reservations for the cottages and RV pads are made through Base Miami Beach (BMB) and boat rentals are reserved on-site via the Marathon Lodge Hosts.
5. PROCEDURES, RULES AND REGULATIONS. The following procedures and regulations are established to guide the operation of these facilities.
 - a. Eligible patrons are defined as per Chapter 3 of reference (a) and listed in Enclosure (3). Please address questions regarding eligibility by calling (305) 535-4565.
 - b. Periods of Operation. The facilities are open year-round, except when necessary to close due to inclement weather conditions, maintenance, repairs or operational requirements. If the facility closes due to an unexpected event, the scheduled sponsor will be contacted by BMB and given the option to reschedule their reservation.
 - c. Cottage Reservations Procedures.
 - (1) Please use enclosure (1) to reserve a cottage. Forward the completed application, along with full rental payment to BMB. Applications are accepted up to six months in advance. Minimum rental period is two days; maximum rental period is 14 days. A maximum of two cottages may be reserved by a sponsor.

- (2) BMB will prioritize booking cottages as follows: All active duty members and their dependents will be booked up to six months in advance. All other eligible patrons will be booked three months in advance of the reservation date.
- (3) Reservations will not be accepted or confirmed by telephone. Cottage reservations will be confirmed only by email or fax. Reservations are not confirmed until the sponsor receives approval application from BMB.

d. Recreation Vehicle Pad Reservation Procedures.

- (1) Please use Enclosure (1) to reserve an RV pad. Forward the completed application, along with full rental payment to BMB. Applications may be submitted up to one year in advance of the reservation. Reservations can be made for up to 14 days.
 - a. RV pad reservations can be submitted via fax, email, or walk-in basis, on a first come, first-served basis at the BMB office. RV pad reservations will be confirmed only via email or fax. Reservations are not confirmed until the sponsor receives approval application from BMB.
- (1) Telephone inquiries will be accepted concerning the availability of the facilities. Tentative reservations will be accepted by telephone, based upon completion of a reservation form and full rental payment returned to BMB within two days of the telephone call.
- (2) Multiple reservations by the same applicant can be arranged, provided that there are at least 30 days between the previous checkout date and the new check in date.
- (3) Each RV must be self-contained. No dry camping tents are allowed since there are no shower/bath facilities available on site. Water, electric, and sewage hookups are included with each pad. No bulk sewage dumping is allowed because the area is environmentally sensitive and there is no separate pumping station available on-site to handle large scale sewage dumping.
- (4) A maximum of two (2) vehicles in each trailer pad are allowed. Examples of vehicles include: RV "fifth wheels," trailered motorcycles, cars, trucks, and trailers. Patrons are responsible for providing off-base parking for any additional vehicles.
- (5) Maximum lengths and widths of RV pads lots are as follows: Pad 1 – 58' x 15'; Pad 2 – 69' x 26'; Pad 3 – 70' x 18' and Pad 4 58' x 26'. BMB will work to accommodate requests based on space availability and size of the RV.

e. Cottage and RV Pad Check-In/Checkout.

- (1) Check-in time for the cottages is between 1400 and 1800 hours. An approved application, payment receipt and valid military/civilian identification will be required

by the Marathon Lodge Host upon check-in.

- (1) RV pad rental arrivals are advised to contact the Marathon Lodge Host in advance by calling (305) 743-3549, and advise of their estimated time of arrival. RV rentals must be assisted by the Marathon Lodge Host to guide transit to their RV pad.
- (2) There are restricted areas on the base that are off limits to cottage and RV pad guests. The Marathon Lodge Host will point out these off-limits areas upon check-in.
- (3) If travel arrangements require check-in time after 1800 hours, please contact the Marathon Lodge Host at (305) 743-3549. For late check-in, a \$15.00 late check-in fee will be assessed.
- (4) Because vehicle parking is limited, only one parking space is allotted per cottage.
- (5) Check-out time for both the cottages and RV pads is prior to 1200 hours. A \$50.00 per hour late checkout fee will be assessed. Failure to check-out with the Marathon Lodge Host and failure to clean the cottage may result in a \$50.00 cleaning fee billed directly to the sponsor, and future revocation of privileges.

regardless to the date; however, proof of the emergency is required (copy of military orders, doctor's slip, etc.).

i. Occupancy.

- (1) Maximum occupancy of each cottage is 5 persons, including infants and children.
- (2) Only vehicles may occupy an RV pad. Dry camping and tents are not permitted.
- (3) Failure to follow cottage or RV pad facility rules and regulations may result in denial of future use of the facilities.
- (4) BMB shall assign and approve all guests to the cottage, as reservations are not transferrable. No other person(s) may occupy the cottage without the approval of BMB.

j. Termination for Cause. The sponsor will be held responsible for the conduct of their guests. The recreational facilities are not to be used for any illegal or improper purposes.

- (2) The Marathon Lodge Host will ensure that the person checking the boat out is qualified to handle it as set forth in Chapter 5-B-8 of reference (a). The Marathon Lodge Host is the final authority on determining whether a person requesting a boat is qualified to safely operate the vessel.

- (3) Sponsors may checkout boats any time after 0800, but must return them to the Marathon Station pier no later than 1645. The sponsor will provide a float plan to the Marathon Lodge Host prior to departing from the station. Upon return of the recreational boat to the station, the sponsor must pay for the fuel used and be accompanied by the Marathon Lodge Host during the refueling process.
 - (4) The sponsor is responsible for reimbursing any damages to the boat incurred during the rental period. The sponsor will be billed for damages after estimates are received for repair work.
